CENTRO CONGRESSI

SAINT-VINCENT | VALLE D'AOSTA

Innovation and avant-garde are the hallmark of the Billia Congress Center, a modern meetings and events location in the historic Grand Hôtel Billia in Saint-Vincent (Aosta Valley).

Technology, professionalism, expertise coupled with warmth, distinction, refined elegance and functionality: it is the ideal setting for creating a wide variety of meeting formats, ensuring the highest quality and comfort. The facility features seven conference rooms (the largest with a capacity of 545 seats) plus two exhibition areas, for a total of over 1,000 seats and over 1,200 square meters.

The Congress Centre is directly connected to the Parc Hôtel Billia, an elegant and luxurious four-star hotel in contemporary style, with 113 double rooms and 6 suites.

The facility includes the 1908 Restaurant with three large rooms for a total of 430 seats, the Billia Wellness Centre and the outdoor swimming pool, as well as, of course, the Grand Hôtel Billia, a prestigious 5-star hotel with 42 double rooms, 14 junior suites and 13 suites.

The building is also directly connected to the Casino de la Vallée by an internal passageway.

SAINT-VINCENT | VALLE D'AOSTA

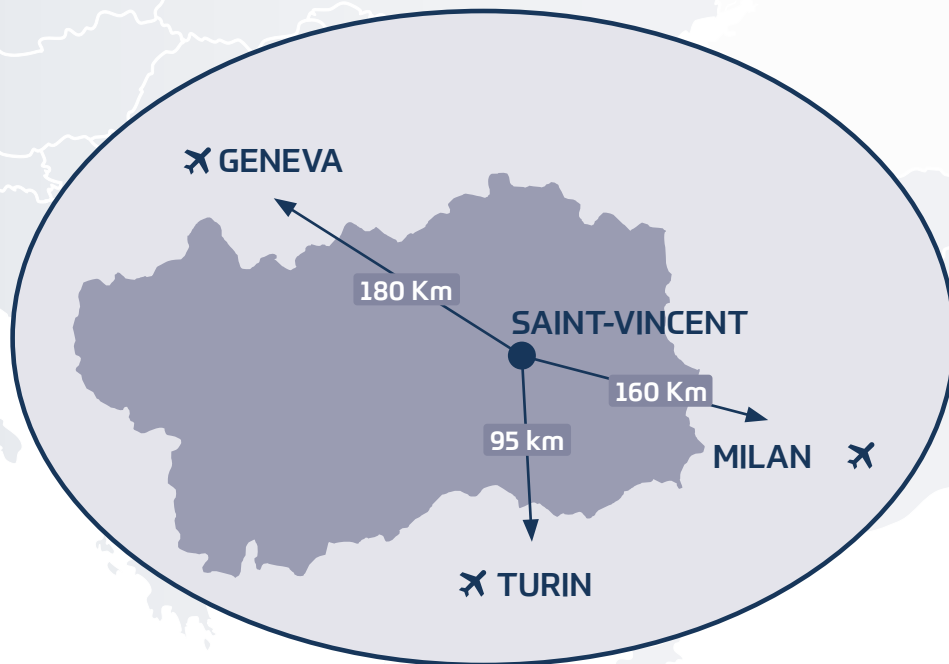

The Billia Congress Centre is located in Saint-Vincent, in the heart of the Aosta Valley, in an excellent position for exploring the historical jewels and outstanding natural beauties of the region.

It can be reached from France and Switzerland via the Mont Blanc tunnel, or via the Great St. Bernard Tunnel (78 km and 56 km from the Congress Centre respectively).

The closest airports are: Turin Caselle Airport (50 min.), Milan Malpensa Airport (1 hour and 15 min.)

The Milan Linate and Geneva Cointrin Airports can be reached in 2 hours.

It is also easily reachable by car via the A5 motorway (90 km from Turin and 162 km from Milan), the Saint-Vincent exit is just 2 km from the property.

Area: 613 m²

Size: 31.46 x 19.49 m

Height: 6.39 m

CAPACITY

Max: 545 seats

EQUIPMENT

- Panasonic DLP 12,000 lumen video projector, laser technology with resolution up to 4k; signals are transmitted on HDMI optical cables and SDI cables
- Motorized screen (for front projections) approximately 10 x 4.60 m
- Audio system (mono), fixed microphones, Shure hand-held mics or clip-on radio microphones
- Midas Audio Mixer
- The stage (14.60 x 6 x 0.30 m) is equipped with a motorized ring (maximum load 2400 kg – 50 kg per linear metre), which can be used to hang equipment for any technical service (for audio, lights and/or screens) or sets
- A set of 6 x 1000 watt headlights

GRAN PARADISO ROOM

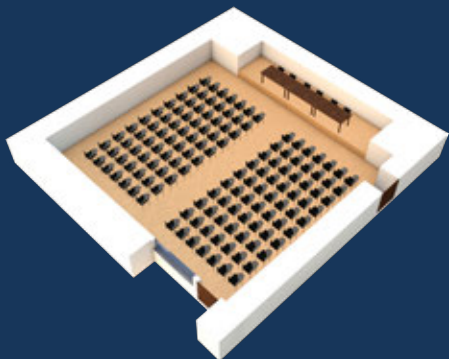

The main hall, with its 545 seats, is the jewel in the crown of the congress centre.

The high-quality finishes such as dark oak parquet and fabric panels on the walls are a perfect match with the very special wavy wooden false ceiling granting the space a sense of elegance and strong personality.

Thanks to motorized curtains the room capacity can be reduced to 301 seats.

Area: 182 m²

Size: 13.88 x 13.20 m

- Stage (8.4 x 2.8 x 0.45 m) equipped with fixed stage lighting truss
- A set of 4 x 1000 watt headlights

MONTE BIANCO ROOM

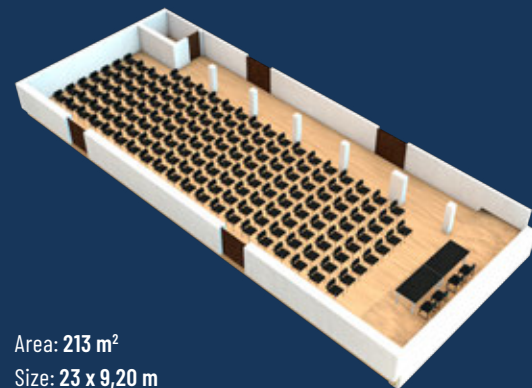

The space is regular in shape that can accommodate 140 seats, the raised stage grants excellent visibility. The warm colours of wooden floors and wall panels create a welcoming atmosphere. Technicians are always present in the adjacent control room, which overlooks the back wall with a glass window.

Thanks to the absence of architectural constraints the space can host tailor-made setups for every meeting format.

CERVINO ROOM

Located on the lower level of the Congress Center, the room can accommodate up to 176 seats, or can be divided, thanks to a movable wall, into two rooms of about 60 seats. The light nuances of the oak parquet flooring and wooden paneling on the walls make this space both elegant and functional. The external foyer can be utilized both as a reception and registration area and for coffee breaks.

FOYER GRAN SAN BERNARDO

The Great Saint Bernard Foyer is an oasis of light and relaxation in the heart of the Congress Centre: the transparent ceiling makes it an enchanted corner at the "centre of ideas". It is the ideal space for coffee breaks, aperitifs and cocktails.

FOYER PICCOLO SAN BERNARDO

On the lower floor, the Small Saint Bernard Foyer is a quiet and welcoming space suitable for relaxing breaks during a working day.

RESTAURANTS

We offer a wide range of catering services, from simple coffee breaks to Gala and Show dinners in a variety of settings.

Here are the restaurants halls:

- **La Grande Vue**, a 60-seat room flooded with light and overlooking the centuries-old park and surrounding mountains;
- **1908**, a 90-seat room, a treasure chest of the Hotel's history, embellished with mirrors that reflect the light and create an intriguing atmosphere;
- **Le Rascard Salon et Terrasse**, a bright, modular room with 280 seats, is a smart contemporary reinterpretation of a traditional Aosta Valley barn with direct access to a large outdoor terrace;
- **La Vinothèque**, a small space with seating for 20 people. Located where the historic and contemporary buildings merge, it features a small wine shop, showroom and meeting point for the guests;
- **Bar La Cheminée**, with 17 seats, the ideal lounge for aperitifs, conference breaks and relaxing after-dinners, between design and tradition;
- **Brasserie du Casino**, 108-seat room, with stage and dance floor directly connected to the Casino de la Vallée. Available for private events such as dinner shows, concerts and DJ sets.
